Welcome to **Sizzle Mix Ltd** ! We are excited to showcase our exceptional range of products. As a leading food distributor we are proud to offer India's first non-retort products with a prolonged shelf life at room temperature. Our selection includes both Non-Retort and Retort options, tailored to meet various cooking needs and providing food solutions for home cooking, catering industries, restaurants and Institutions.

We at **Sizzle Mix** have a passion for Indian traditional food. So we are happy to announce the launch of these exciting new products for UK and Europe markets. These products are already exported to the US and the success of this has driven us to expand internationally. We are a leading importer and distributor of these best quality traditional Indian curries accompanied by excellent services beyond customer expectations.

Our Goal

It's our goal to share these tasty varieties of authentic products made of the highest standard quality, using ethical sourcing practices.

About the products

Specialising in expertly seasoned curries, **Sizzle Mix** provides easy-to-use products with a rich and creamy texture. The curries stand out for their stability at room temperature for up to 18 months without any preservatives using advanced technology to make it durable. Offering endless menu possibilities, we guarantee consistent taste characteristics in every packet, reflecting our dedication to quality and standards.

We take pride in distributing authentic Indian flavours using all-natural, farm-fresh ingredients without synthetic colours, preservatives or MSG.

Selecting **Sizzle Mix** products means enjoying smooth texture, vibrant colours and a genuine taste in every dish. Our curries streamline inventory management reduce vegetable waste and offer versatile applications with minimal preparation. We also prioritise supporting local farmers by sourcing high-quality ingredients sustainably and ethically contributing to their livelihood and the community.

All the Products have Authentic Indian flavors and are very quick and convenient to make. They are versatile as you can make several different curries using the base sauces. It's also customisable as you can add more spice (if required).

The product line we offer includes Non-Retort options like Tomato Curry Base, Onion Curry Base and others ideal for cooking in big batches for the B2B market.

We also offer Retort selections such as Dal Makhani, Delhi Tikka Masala and many more for the B2C market. All packaged using cutting-edge technology for freshness and and the best quality.

Our Mission

Our mission is to sustain our unique, creative and competitive solutions, making us a reliable commercial partner in distribution. To feature as a benchmark in distributing a variety of high quality traditional Indian curries to provide a delightful culinary experience to the needs of our clients.

Vision

To keep improving our competitiveness by applying value adding innovations to our services for competitive edge over the competition.
